**About US...** For more than 65 years Sprayway has been providing industry with the highest quality aerosol products. Our leading edge technologies ensures that our customers will receive the most consistent high quality products and packaging available.

### Manufacturing

All products are manufactured in the United States and meet Sprayway's rigid quality control standards. Every ingredient used in Sprayway products conforms to the requirements of either the United States Consumer Product Safety Commission, the United States Occupational Safety & Health Administration or the United States Environmental Protection Agency. Sprayway does not use any ingredients banned in the United States of America in any of its products.

### Research, Development & Quality Control

All products are manufactured using Sprayway's proprietary formulations and retains of each batch are examined, approved and catalogued by a certified chemist.

All raw materials used in the chemical formulations of Sprayway's products have passed multiple quality control tests prior to use in the manufacturing of these products.

### Customer Service

Sprayway's expert customer service staff is as close to you as your fingertips. Contact us by e-mail and fax any time or by phone during normal business hours. Of course, our web site is always available at [www.spraywayinc.com](http://www.spraywayinc.com)

### Warehousing and Shipping

Sprayway's warehouse and shipping facilities are located at the crossroad of the world in Addison, Illinois, a suburb of Chicago. Our central location allows reduced shipping time throughout the world. In addition, our fully-stocked warehouse and commitment to customer service assures prompt shipment of orders and on time delivery.

### International Trade Show Attendance

Sprayway's international sales staff is eager to meet and speak with you as well as demonstrate our products at our Trade Show Booths Worldwide. We serve Africa, Asia, Middle East, Europe, Mexico, Central America and South America.

## Cleaners

### No.003 Good Night - Kill Bed Bugs

- The origin Unique formula in the United States, the products meet the U.S. Environmental Protection Agency (EPA) Montreal Protocol and the Clean Air Act (CAA), with disabilities international chemical hazard harmless to human body and environment, can be spray indoor.
  - Easy to use: pick up the bottle, remove the lid, shake the can to be sprayed.
  - Quickly without leaving any trace. Product 100% of volatile organic compounds, and it had completely evaporated only 30 minutes.
  - Wide scope insects. Effectively kill dust mites, bed bugs, ticks, fleas, lice and other pests.
- Can be sprayed directly into the pillows, mattresses, blankets, carpets, sofas, chairs, sleeping bags, chairs, cabinets, plush toys and other parasitic insects easily.

### No.31 Crazy Clean All Purpose Cleaner

- Multi-purpose cleaner for auto detailers, glass/mirror handlers, industrial maintenance, housekeeping personnel, or sign/display tradesmen.
- Clinging foam cleans and deodorizes.
- Removes hand prints, scuff and crayon marks, grease spots, soot stains, and smoke film.
- Produces sparkling results when used on hard surfaces; on window sills or venetian blinds.

### No.50 Glass Cleaner - 19 oz

- The Best Glass Cleaner in the World. Excellent for windows, mirrors, windshields and other glass surfaces.
- Dissolves dirt, grease, grit, and grime.
- Heavy-duty foam clings to vertical surfaces.
- Guaranteed to leave no film.
- Contains perfume-grade alcohol for best performance.
- Ammonia-free.
- Fresh fragrance.

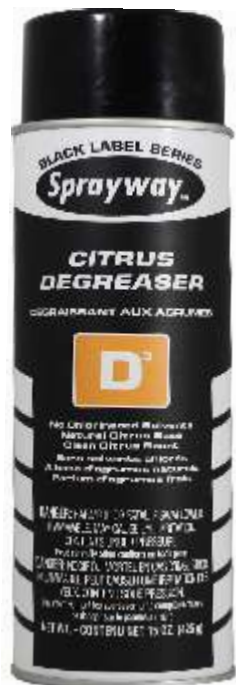

### No.63 C-60 Solvent Degreaser

- Disgined for use into the art such as: picture framing studio, graphic arts, signs or screen print shop, or sewing mavhine tables.
- Clean electric motors and nachines while running - Will not disrupt while runing - Will not disrupt production schedules.
- Removes ink, dirt, grease, oil, fresh paint, etc.
- Quick drying, inflammable, low in toxicity. Leaves no residue.
- Not for use on plastics.

China made available

### No.SP286 Citrus Degreaser

This is heavy duty, natural citrus degreaser, non-chlorinated, use to replace products containing acetone, trichloroethylene, butyl cello solve and other chlorinated solvents.

### No.789 Precision Contact Cleaner

Effectively removes soil & other contaminants from electronic components

- Quick drying
- Leaves no residue
- Safe for use on most plastics

### No.805 Clean Jet 100

- For use in home, business, and institutional settings with electronic environments.
- Cleans small, delicate, and tight areas such as computer and energized photographic equipment, circuits, and sewing machines.
- Compact, portable source of ultra-clean gas for precision removal of particles.
- Non-flammable; high pressure spray.
- Safe to use on all electronic energized equipment.

### No.823 Fusing Machine Cleaner

Designed and produced for the sewing trades.

Effectively removes residue from the operating surfaces machines, irons, belts, and presses.

Specially formula to clean Teflon®-coated surfaces. Non- flameable under fusing conditions (flah point: 240°C/465°F, Ignition point above 240°C/465°F)  
Included highly-viscous silicone.

China made available

### No.830 Spot Lifter (Industrial)

Specail formula for fabric and clothing operation.

Excellent for removing oil and grease stains on fabrics without leaving rings.

Easy and simple application. Spray, let dry and brush off the stain spots.

Safe and effective on wool, cotton, silk and synthetic materials.

Guaranteed to leave neither stains or rings. Industrial strength formula.

China made available

### No.831 Spot Lifter (Fast Powder)

Specially designed as a fast dry powder system.

Easily lifts a variety of spots and stains without leaving a ring.

Formulated to be used on many popular fabrics, such as wool, cotton, silk and synthetic materials.

Fresh scent fragrances.

Safe for delicate fabric materials.

China made available

### No.833 Spot Lifter (Non-Chlorinated)

Special designed without chlorinated solvents to meet today's health environment requirements.

Excellent for removing oil and grease stains on fabrics without leaving rings.

Easy and simple application. Spray, let dry and brush off the stain spots.

Safe and effective on wool, cotton, silk and synthetic materials.

High efficiency and productivity to help meet shipment dates when faced with oil and grease stains on finished garments.

China made available

### No.841 Stainless Steel Polish & Cleaner

Specially formulated for use on stainless steel fixtures, equipment or trim.

Cleans, polishes, protects stainless steel without scouring.

Resists fingerprints, grease and water spatter, preserves factory finish.

Removes old or heavy accumulation of greasy film, food spatter or oil stains.

Not for use on cooking utensils.

## Lubricants

China made available

### No.90 RD-90 Spray Lubricant

Lubrecant for use on automotive and marine equipment, household items, hardware, tools, printe, presses, sewing machines.

Film coating keeps moving parts and operating mechanisms running smoothly.

Prevents rust; displaces by moisture.

Acts as quick-release agent on corroded or "frozen" parts.

Contains no silicone.

### No.715 Industrial White Grease Lubricant

- Created for applications where metal meets metal.
- Provides long-lasting lubricating film with excellent heat resistance.
- Resists rust and other corrosive action.
- Helps to keep machinery running smoothly, boosts productivity.
- Will not wash away, run off or dry out.

### No.945 Silicone Spray

- Stops squealing, sticking, and binding of machinery.
- Dries rapidly; leaves no greasy or oily film.
- Retards corrosion; makes cleaning easier and quicker.
- Protects and preserves equipment.
- Saves time and labor.
- Speeds cutting and sewing; facilitates fabric flow.
- Prevents power tools from binding.
- Long lasting residual performance.

### No.961 Hoil Penetrating Oil & Rust Preventative

An ideal way to loosen nuts, bolts, shafts, screws, pipes, motors and machine parts in a variety of environments.

Lubricates surfaces to be disengaged, prevents damage to threads.

Used as a preventive measure, it retards corrosion of tools and tool room equipment. Non-conducting, slow dry

## Adhesives

China made available

### No.66 Spray Adhesive

- For the art studio, picture framing, screen printing or signs/display shop, sewing trades, personnel, woodworkers, and office.
- Prevents paper patterns and stencils from shifting.
- Quick of long tack for temporary or permanent bonds.
- Non-wrinkling, repositionable, water-resistant. Does not stain.
- Ideal for quick layouts, pasteups.

China made available

### No.TPR 99 Super Spray Adhesive

- Repositionable; gives long tack or quick tack; non-wrinkling.
- Will not gum up needles.
- Ideal for all types of sewing and pattern work.
- Clear formula; will not soak through fabric or paper.

China made available

### No.822 Fast Tack Adhesive

- A must for any sewing trades or embroidery factory.
- Pressure-sensitive bonding ability solves difficult assembly and positioning problems.
- Repositionable, gives long tack, non-wrinkling.
- Will not gum up needles.
- Ideal for all types of sewing and pattern work.
- Clear formula, will not soak through fabric or paper.

China made available

### No.821 No Fray Spray

Specially created to help sewing trades personnel be more productive.

Eliminates over-edge stitching; reduces seam failure and material waste.

Prevents unraveling of fabric and slippage of threads - saves labor and time.

Fast-drying; excellent for storing fabrics safely.

## Cleaners

## No.31 Crazy Clean All Purpose Cleaner

- Multi-purpose cleaner for auto detailers, glass/mirror handlers, industrial maintenance, housekeeping personnel, or sign/display tradesmen.
- Clinging foam cleans and deodorizes.
- Removes hand prints, scuff and crayon marks, grease spots, soot stains, and smoke film.
- Produces sparkling results when used on hard surfaces; on window sills or venetian blinds.

**No.50  
Glass Cleaner  
- 19 oz**

- The Best Glass Cleaner in the World. Excellent for windows, mirrors, windshields and other glass surfaces.
- Dissolves dirt, grease, grit, and grime.
- Heavy-duty foam clings to vertical surfaces.
- Guaranteed to leave no film.
- Contains perfume-grade alcohol for best performance.
- Ammonia-free.
- Fresh fragrance.

## No.63 C-60 Solvent Degreaser

- Designed for use into the art such as: picture framing studio, graphic arts, signs or screen print shop, or sewing machine tables.
- Clean electric motors and machines while running - Will not disrupt while running - Will not disrupt production schedules.
- Removes ink, dirt, grease, oil, fresh paint, etc.
- Quick drying, inflammable, low in toxicity. Leaves no residue.
- Not for use on plastics.

## No.789 Precision Contact Cleaner

Effectively removes soil & other contaminants from electronic components

Quick drying

Leaves no residue

Safe for use on most plastics

## No.805 Clean Jet 100

- For use in home, business, and institutional settings with electronic environments.
- Cleans small, delicate, and tight areas such as computer and energized photographic equipment, circuits, and sewing machines.
- Compact, portable source of ultra-clean gas for precision removal of particles.
- Non-flammable; high pressure spray.
- Safe to use on all electronic energized equipment.

**No.830  
Spot Lifter  
(Industrial)**

Special formula for fabric and clothing operation.

Excellent for removing oil and grease stains on fabrics without leaving rings.

Easy and simple application. Spray, let dry and brush off the stain spots.

Safe and effective on wool, cotton, silk and synthetic materials.

Guaranteed to leave neither stains or rings.  
Industrial strength formula.

## China made available

## No.831 Spot Lifter (Fast Powder)

Specially designed as a fast dry powder system.

Easily lifts a variety of spots and stains without leaving a ring.

Formulated to be used on many popular fabrics, such as wool, cotton, silk and synthetic materials.

Fresh scent fragrances.

Safe for delicate fabric materials.

## China made available

## No.833 Spot Lifter (Non-Chlorinated)

Special designed without chlorinated solvents  
to meet today's health environment  
requirements.

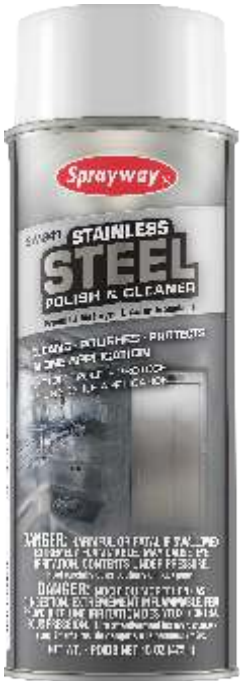

Excellent for removing oil and grease stains on fabrics without leaving rings.

Easy and simple application. Spray, let dry and brush off the stain spots.

Safe and effective on wool, cotton, silk and synthetic materials.

High efficiency and productivity to help meet shipment dates when faced with oil and grease stains on finished garments.

## China made available

## No.841 Stainless Steel Polish & Cleaner

Specially formulated for use on stainless steel fixtures, equipment or trim.

Cleans, polishes, protects stainless steel without scouring.

Resists fingerprints, grease and water spatter, preserves factory finish.

Removes old or heavy accumulation of greasy film, food spatter or oil stains.

Not for use on cooking utensils.

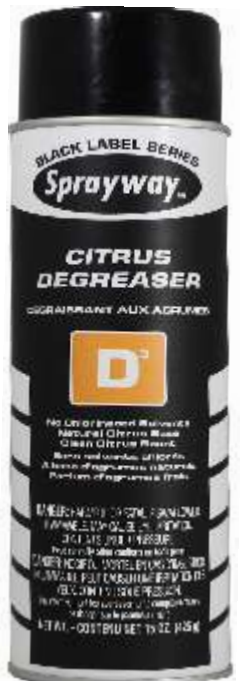

## No.961 Hoil Penetrating Oil & Rust Preventative

An ideal way to loosen nuts, bolts, shafts, screws, pipes, motors and machine parts in a variety of environments.

Lubricates surfaces to be disengaged, prevents damage to threads.

Used as a preventive measure, it retards corrosion of tools and tool room equipment. Non-conducting, slow dry

## No.SP286 Citrus Degreaser

This is heavy duty, natural citrus degreaser, non-chlorinated, use to replace products containing acetone, trichloroethylene, butyl cello solve and other chlorinated solvents.

## Adhesives

China made available

- Removes hand prints, scuff and crayon marks, grease spots, soot stains, and smoke film.
- Produces sparkling results when used on hard surfaces; on window sills or venetian blinds.

### No.32 Fast Open Premium Water Based Screen Opener

- Using to opens up dried-up areas on screens.
- It's compatible with all types of screen printing inks.
- Pleasant odor.
- Guaranteed to leave no film.

### No.40 Graphic Arts Glass Cleaner

- Anti-static formulation.
- Designed for picture framers, printers, artists, screen printers, sign makers and • sewing trade personnel, leaves no film, streaks, scratches or residue.
- For use on copy boards, lenses, negatives and stripping tables.
- Can be used safely on many surfaces including Formica, chrome, porcelain and plastics.
- Contains no Ammonia, no acids.

### No.63 C-60 Solvent Degreaser

- Disigned for use into the art such as: picture framing studio, graphic arts, signs or screen print shop, or sewing mavhine tables.
- Clean electric motors and nachines while running - Will not disrupt while runing - Will not disrupt production schedules.
- Removes ink, dirt, grease, oil, fresh paint, etc.
- Quick drying, inflammable, low in toxicity. Leaves no residue.
- Not for use on plastics.

**No.206  
Specialty Film  
Cleaner**

For use in the screen printing studio, print shop, or any office where digital equipment is used.

Safely cleans diazo film, tints screen, and scanner drums.

Removes finger prints, tape marks, grease, pencil, dirt, and smudges.

Quick dry - leaves no residue, easy use.

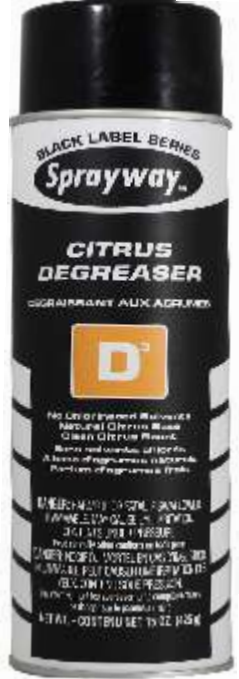

**No.208  
Toner Aide**

Greatly improves toner generated image quality.

Develops higher resolutions.  
Enhances detail clarity.

Eliminates cost of film.

Cost effective alternative to auxiliary processors.

**No.SP286  
Citrus Degreaser**

This is heavy duty, natural citrus degreaser, non-chlorinated, use to replace products containing acetone, trichloroethylene, butyl cello solve and other chlorinated solvents.

**No.789  
Precision Contact  
Cleaner**

Effectively removes soil & other contaminants from electronic components

Quick drying

Leaves no residue

Safe for use on most plastics

## No.950 Ink Anti-Skin, Long Term

For the busy graphic printer, screen print and sign/display shop that may experience longer-term stoppages such as overnight or weekends.

Used properly, prevents ink skinning on press rollers, in press fountains, and in ink cans. Delays the drying of inks on screens.

Works with any type of ink.

## No.955 Anti-Static Spray

Counteracts static electricity charges that attract dust, prevent materials from feeding properly or "shocking" equipment operators.

Helps prevent losing data and damage to a computer's memories

Use on natural or synthetic rugs and carpeting, furniture, drapes and chairs.

Can also be used on metal rollers, drive belts, scanners, electronic image processors.

## No.957 Instant Screen Opener

Open dried areas on screens used by screen printers and signs/display personnel.

Compatible with all types of printing inks. Regular use helps to prevent clogging and work delays.

Guaranteed to leave no film.

For use on screens made with photogenic (direct or indirect), stencil or lacquer-proof knifecut films only.

## Lubricants

### No.77 Industrial Silicone Lubricant

- Economical lubricant/release agent for industrial trade professional.
- Stops squeaks, prevents corrosion, prevents sticking, speeds production, cuts cleanup time.
- Reduces friction on paper cutters, knives, drills, etc.
- Helps equipment last longer, work harder.

### No.90 RD-90 Spray Lubricant

Lubrecant for use on automotive and marine equipment, household items, hardware, tools, printe, presses, sewing machines.

Film coating keeps moving parts and operating mechanisms running smoothly.

Prevents rust; displaces by moisture.

Acts as quick-release agent on corroded or "frozen" parts.

Contains no silicone.

### No.715 Industrial White Grease Lubricant

- Created for applications where metal meets metal.
- Provides long-lasting lubricating film with excellent heat resistance.
- Resists rust and other corrosive action.
- Helps to keep machinery running smoothly, boosts productivity.
- Will not wash away, run off or dry out.

### No.201 Plastic Spray Clear Fixative

- Clear acrylic protective coating for use by artists, printers, picture framers and screen printers.
- Protects artwork, proofs, photos, blueprints, etc. from aging, yellowing or smudging.
- Highly-flexible, impermeable, quick-drying.
- Safe to use on watercolor, pastel, charcoal, pencil and colored ink.

## No.945 Silicone Spray

- Stops squealing, sticking, and binding of machinery.
- Dries rapidly; leaves no greasy or oily film.
- Retards corrosion; makes cleaning easier and quicker.
- Protects and preserves equipment.
- Saves time and labor.
- Speeds cutting and sewing; facilitates fabric flow.
- Prevents power tools from binding.
- Long lasting residual performance.

## No.961 Hoil Penetrating Oil & Rust Preventative

An ideal way to loosen nuts, bolts, shafts, screws, pipes, motors and machine parts in a variety of environments.

Lubricates surfaces to be disengaged, prevents damage to threads.

Used as a preventive measure, it retards corrosion of tools and tool room equipment. Non-conducting, slow dry

## Adhesives

### No.66 Spray Adhesive

- For the art studio, picture framing, screen printing or signs/display shop, sewing trades, personnel, woodworkers, and office.
- Prevents paper patterns and stencils from shifting.
- Quick of long tack for temporary or permanent bonds.
- Non-wrinkling, repositionable, water-resistant. Does not stain.
- Ideal for quick layouts, pasteups.

### No.82 Mist Type Spray Adhesive

Created for textile who specialize in T-shirts, carton, and similar materials.

Pressure-sensitive formula is repositionable without losing strength.

Will not transfer to fabric or allow shifting during screen printing process.

### No.84 Super Flash Spray Adhesive

Specially formulated adhesive for flash-cure applications and screen printing

Remains tacky; perfect for applications and temperatures required to cure plastisol inks.

Safe to use on any fabric.

High-quality industrial grade spray adhesive. Will not transfer to or allow shifting during screen printing process.

### No.88 Multi-Purpose Spray Adhesive

- High-performance spray adhesive for artists, picture framers, printers, sign/display and industrial maintenance.
- Provides temporary or permanent bonds on lightweight materials.
- Speeding to production for faster part assembly.
- Industrial-grade, fast-dry, heat-and water-resistant.
- Low soak-in rate, provides more coverage, stronger bonds.

## Cleaners

### No.50 Glass Cleaner - 19 oz

- The Best Glass Cleaner in the World. Excellent for windows, mirrors, windshields and other glass surfaces.
- Dissolves dirt, grease, grit, and grime.
- Heavy-duty foam clings to vertical surfaces.
- Guaranteed to leave no film.
- Contains perfume-grade alcohol for best performance.
- Ammonia-free.
- Fresh fragrance.

### No.63 C-60 Solvent Degreaser

- Designed for use into the art such as: picture framing studio, graphic arts, signs or screen print shop, or sewing machine tables.
- Clean electric motors and machines while running - Will not disrupt while running - Will not disrupt production schedules.
- Removes ink, dirt, grease, oil, fresh paint, etc.
- Quick drying, inflammable, low in toxicity. Leaves no residue.
- Not for use on plastics.

### No.70 BRAKE PARTS CLEANER

- Quickly Removes Grease, Dirt, Brake Fluid and Grime from critical brake components
- Flushes away any contaminants without disassembling the brake unit
- Non-chlorinated and Hexane-free
- High pressure spraying
- Fast evaporating
- Restores smooth brake operation
- For use on valve covers, clutch housings, clutch pressure plates and transmission
- Sales to California Prohibited

### No.201 Plastic Spray Clear Fixative

- Clear acrylic protective coating for use by artists, printers, picture framers and screen printers.
- Protects artwork, proofs, photos, blueprints, etc. from aging, yellowing or smudging.
- Highly-flexible, impermeable, quick-drying.
- Safe to use on watercolor, pastel, charcoal, pencil and colored ink.

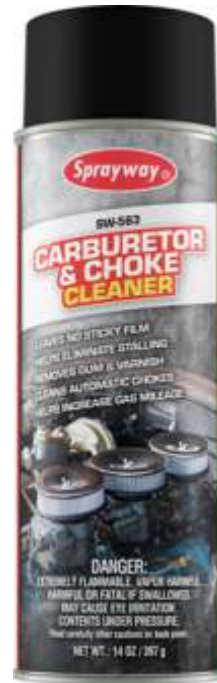

## No.508 Fabric Cleaner

Quickly and effectively removes soils from most upholstered fabrics and similar surfaces.

High foam cleans quickly but does not soak in, leaving the fabric clean and dry.

## No.563 Automotive Carburetor & Choke Cleaner

Removes gum & varnish that build up over time.

Eliminates stalling; increases gas mileage. Washes fuel injection systems.

For clean, efficient auto carburetors and choke mechanisms

## No.753 Wax & Shine

Provides maximum gloss, durable and long-lasting shine.

Makes hand waxing easy as it beautifies all auto and marine finishes.

Spray on, dry to a haze, wipe off with a clean cloth.

## No.789 Precision Contact Cleaner

Effectively removes soil & other contaminants from electronic components

Quick drying

Leaves no residue

Safe for use on most plastics

### No.805 Clean Jet 100

- For use in home, business, and institutional settings with electronic environments.
- Cleans small, delicate, and tight areas such as computer and energized photographic equipment, circuits, and sewing machines.
- Compact, portable source of ultra-clean gas for precision removal of particles.
- Non-flammable; high pressure spray.
- Safe to use on all electronic energized equipment.

### No.831 Spot Lifter (Fast Powder)

Specially designed as a fast dry powder system.

Easily lifts a variety of spots and stains without leaving a ring.

Formulated to be used on many popular fabrics, such as wool, cotton, silk and synthetic materials.

Fresh scent fragrances.

Safe for delicate fabric materials.

China made available

### No.841 Stainless Steel Polish & Cleaner

Specially formulated for use on stainless steel fixtures, equipment or trim.

Cleans, polishes, protects stainless steel without scouring.

Resists fingerprints, grease and water spatter, preserves factory finish.

Removes old or heavy accumulation of greasy film, food spatter or oil stains.

Not for use on cooking utensils.

### No.869 Foaming Rug & Upholstery Cleaner

Cleans, penetrates and deodorizes carpets and upholstery.

Releases ground-in-dirt from rugs, carpets and upholstery including velour.

Perfect for spot-cleaning, spills and spot pickup.

Not for use on silk upholstery.  
Clean fresh scent.

## No.879 Carpet & Upholstery Spotter

For use in any setting where rugs and upholstery requires deep cleaning.

Removes both water-based and oil based spots.

Quickly saturates materials for instant cleaning.

Contains strong cleaners to remove stains due to dirt, ink, grease, oil, blood, coffee, soft drinks and much more.

Will not soften carpet backing.

## No.930 Tire Shine Spray

- Ideal for use on low profile and O tires

## No.990 Vinyl Leather Cleaner

Perfect for automotive and furniture and professionals.

Cleans, protects and restores vinyl tops to "like new" appearance.

Leaves a finished touch of elegance - contains mink oil.

Easily removes stains, smudges, fingerprints, and dirt.

Ideal for use on Naugahyde, Vinyl and Leather.

## No.991 Leather Cleaner & Conditioner

Leather Conditioner & Cleaner adds moisture to leather surfaces restoring suppleness with a rich mousse-like foam.

It is specially formulated with emollients, humectants, proteins, surfactant and conditioners to effectively clean, condition and preserve the strength, beauty and resiliency of both new and old leathers.

Leather Cleaner & Conditioner is also a water-repellent treatment that helps prevent salt stains and water spotting. Leaves the surface with a like-new leather aroma.

## Lubricants

### No.77 Industrial Silicone Lubricant

- Economical lubricant/release agent for industrial trade professional.
- Stops squeaks, prevents corrosion, prevents sticking, speeds production, cuts cleanup time.
- Reduces friction on paper cutters, knives, drills, etc.

### No.90 RD-90 Spray Lubricant

Lubrecant for use on automotive and marine equipment, household items, hardware, tools, printe, presses, sewing machines.

Film coating keeps moving parts and operating mechanisms running smoothly.

Prevents rust; displaces by moisture.

Acts as quick-release agent on corroded or "frozen" parts.

Contains no silicone.

### No.715 Industrial White Grease Lubricant

- Created for applications where metal meets metal.
- Provides long-lasting lubricating film with excellent heat resistance.
- Resists rust and other corrosive action.
- Helps to keep machinery running smoothly, boosts productivity.
- Will not wash away, run off or dry out.

### No.961 Hoil Penetrating Oil & Rust Preventative

An ideal way to loosen nuts, bolts, shafts, screws, pipes, motors and machine parts in a variety of environments.

Lubricates surfaces to be disengaged, prevents damage to threads.

Used as a preventive measure, it retards corrosion of tools and tool room equipment. Non-conducting, slow dry

## No.003 Good Night - Kill Bed Bugs

- The origin Unique formula in the United States, the products meet the U.S. Environmental Protection Agency (EPA) Montreal Protocol and the Clean Air Act (CAA), with disabilities international chemical hazard harmless to human body and environment, can be spray indoor.
- Easy to use: pick up the bottle, remove the lid, shake the can to be sprayed.
- Quickly without leaving any trace. Product 100% of volatile organic compounds, and it had completely evaporated only 30 minutes.
- Wide scope insects. Effectively kill dust mites, bed bugs, ticks, fleas, lice and other pests.

Can be sprayed directly into the pillows, mattresses, blankets, carpets, sofas, chairs, sleeping bags, chairs, cabinets, plush toys and other parasitic insects easily.

## No.31 Crazy Clean All Purpose Cleaner

- Multi-purpose cleaner for auto detailers, glass/mirror handlers, industrial maintenance, housekeeping personnel, or sign/display tradesmen.
- Clinging foam cleans and deodorizes.
- Removes hand prints, scuff and crayon marks, grease spots, soot stains, and smoke film.
- Produces sparkling results when used on hard surfaces; on window sills or venetian blinds.

## No.50 Glass Cleaner - 19 oz

- The Best Glass Cleaner in the World. Excellent for windows, mirrors, windshields and other glass surfaces.
- Dissolves dirt, grease, grit, and grime.
- Heavy-duty foam clings to vertical surfaces.
- Guaranteed to leave no film.
- Contains perfume-grade alcohol for best performance.
- Ammonia-free.
- Fresh fragrance.

## No.63 C-60 Solvent Degreaser

- Designed for use into the art such as: picture framing studio, graphic arts, signs or screen print shop, or sewing machine tables.
- Clean electric motors and machines while running - Will not disrupt while running - Will not disrupt production schedules.
- Removes ink, dirt, grease, oil, fresh paint, etc.
- Quick drying, inflammable, low in toxicity. Leaves no residue.
- Not for use on plastics.

## No.90 RD-90 Spray Lubricant

Lubrecant for use on automotive and marine equipment, household items, hardware, tools, printe, presses, sewing machines.

Film coating keeps moving parts and operating mechanisms running smoothly.

Prevents rust; displaces by moisture.

Acts as quick-release agent on corroded or "frozen" parts.

Contains no silicone.

## No.190 Malodor Neutralizer

- Odors neutralized instantly.
- Keeps rooms fresh and fragrant.
- Attacks odors trapped in carpeting, upholstery and draperies without staining.
- Eliminate offensive odors without wet fallout.
- Perfect for bathrooms, sick rooms, basement, smoke-filled rooms, offices, automobiles, factories or shops

## No.558 Fabric Cleaner with Inverted Spray

Quickly and effectively removes soils from most upholstered fabrics and similar surfaces.

Inverted valve allows for cleaning hard-to-reach areas.

Use as a spotter, or a cleaner, for fast soil removal leaving the surface clean and dry.

Fresh mint scent.

## No.676 Carpet Spotter Plus

Powerful carpet cleaner specifically formulated to remove tough spots and stains from carpets instantly.

Ideal for pre-spotting prior to shampooing. Fast-acting spotter reinforced with surfactants and wetting agents that immediately remove most spots.

Forceful spray with non-foaming formula quickly penetrates for fast spot removal without rubbing or scrubbing.

## No.702 Granite and Marble Cleaner

The permeability of the foam can be completely removes grease, oil, grease, fingerprints, dirt, dust and smudging.

Dried quickly, leaving a fresh aroma.

Easy and simple to use, time-saving, water-saving.

## No.715 Industrial White Grease Lubricant

- Created for applications where metal meets metal.
- Provides long-lasting lubricating film with excellent heat resistance.
- Resists rust and other corrosive action.
- Helps to keep machinery running smoothly, boosts productivity.
- Will not wash away, run off or dry out.

## No.789 Precision Contact Cleaner

Effectively removes soil & other contaminants from electronic components

Quick drying

Leaves no residue

Safe for use on most plastics

## No.811 Furniture Polish

Designed for industrial and commercial use - anywhere wood and many other surfaces require special care.

Dusts, cleans, and polishes in one step. Removes stains, smudges, and fingerprints. Protects fine furniture, woodwork.

Contains lemon oil.

## No.824 Grill & Oven Cleaner

Cleans and shines cooking equipment in restaurants and other commercial establishments.

Efficiently cleans grills, rotisseries, stove burners, electric frying pans, and other cookware resistant to caustics.

Formulated for use on porcelain, glass, ceramics, stainless steel, and cast iron surfaces.

Easy for use, save time and water  
Not for use in self- or continuous-cleaning ovens.

## No.830 Spot Lifter (Industrial)

Special formula for fabric and clothing operation.

Excellent for removing oil and grease stains on fabrics without leaving rings.

Easy and simple application. Spray, let dry and brush off the stain spots.

Safe and effective on wool, cotton, silk and synthetic materials.

Guaranteed to leave neither stains or rings.  
Industrial strength formula.

China made available

## No.831 Spot Lifter (Fast Powder)

Specially designed as a fast dry powder system.

Easily lifts a variety of spots and stains without leaving a ring.

Formulated to be used on many popular fabrics, such as wool, cotton, silk and synthetic materials.

Fresh scent fragrances.

Safe for delicate fabric materials.

China made available

## No.833 Spot Lifter (Non-Chlorinated)

Special designed without chlorinated solvents to meet today's health environment requirements.

Excellent for removing oil and grease stains on fabrics without leaving rings.

Easy and simple application. Spray, let dry and brush off the stain spots.

Safe and effective on wool, cotton, silk and synthetic materials.

High efficiency and productivity to help meet shipment dates when faced with oil and grease stains on finished garments.

China made available

## No.841 Stainless Steel Polish & Cleaner

Specially formulated for use on stainless steel fixtures, equipment or trim.

Cleans, polishes, protects stainless steel without scouring.

Resists fingerprints, grease and water spatter, preserves factory finish.

Removes old or heavy accumulation of greasy film, food spatter or oil stains.

Not for use on cooking utensils.

## No.879 Carpet & Upholstery Spotter

For use in any setting where rugs and upholstery requires deep cleaning.

Removes both water-based and oil based spots.

Quickly saturates materials for instant cleaning.

Contains strong cleaners to remove stains due to dirt, ink, grease, oil, blood, coffee, soft drinks and much more.

Will not soften carpet backing.

## No.945 Silicone Spray

- Stops squealing, sticking, and binding of machinery.
  - Dries rapidly; leaves no greasy or oily film.
  - Retards corrosion; makes cleaning easier and quicker.
  - Protects and preserves equipment.
  - Saves time and labor.
  - Speeds cutting and sewing; facilitates fabric flow.
  - Prevents power tools from binding.
- Long lasting residual performance.

## No.961 Hoil Penetrating Oil & Rust Preventative

An ideal way to loosen nuts, bolts, shafts, screws, pipes, motors and machine parts in a variety of environments.

Lubricates surfaces to be disengaged, prevents damage to threads.

Used as a preventive measure, it retards corrosion of tools and tool room equipment. Non-conducting, slow dry

## No.990 Vinyl Leather Cleaner

Perfect for automotive and furniture and professionals.

Cleans, protects and restores vinyl tops to "like new" appearance.

Leaves a finished touch of elegance - contains mink oil.

Easily removes stains, smudges, fingerprints, and dirt.

Ideal for use on Naugahyde, Vinyl and Leather.

## No.991 Leather Cleaner & Conditioner

Leather Conditioner & Cleaner adds moisture to leather surfaces restoring suppleness with a rich mousse-like foam.

It is specially formulated with emollients, humectants, proteins, surfactant and conditioners to effectively clean, condition and preserve the strength, beauty and resiliency of both new and old leathers.

Leather Cleaner & Conditioner is also a water-repellent treatment that helps prevent salt stains and water spotting. Leaves the surface with a like-new leather aroma.

## Packaging

Each product is packed 12 cans to a standard corrugated carton. All European Stock Nos. require minimum orders of 100 cases per item. All European products are 20 oz. size cans with a 500 MLt fill. As Sprayway Wipe products are packaged 6 canisters to the carton. All Bulk Sprayway products are packed in drum or pail container sizes.

## Product Warranty

Sprayway warrants its products against defect in material or workmanship for a period of one year from the date of original purchase. Sprayway will repair or replace (at its option) any merchandise or components found to be defective. Sprayway will not be responsible for any charge incurred without its prior approval, nor be liable for any incidental or consequential damages from breach of any express or implied warranty on its products. This warranty does not cover any damage due to accident, misuse, abuse, neglect, or product transportation.

# Black Label Series

High Performance AEROSOLS  
Formulated For The Industrial Market

Pioneers In Aerosol Products

## (SP284)D1 Foaming All Purpose Cleaner

Water based industrial strength foaming cleaner that deodorizes as it cleans. Fast acting, it is suitable for a wide range of applications.

## (SP285)D2 Solvent Degreaser

Heavy-duty non-chlorinated degreaser. Does not contain tetrachloride or silicones.

## (SP286)D3 Citrus Degreaser

This heavy duty, natural citrus degreaser is non-chlorinated. Use it to replace products containing acetone, trichloroethylene, butyl cellosolve and other chlorinated solvents.

## (SP288)L1 Penetrant-Lubricant

This product cleans, protects, lubricates and displaces moisture without leaving a sticky residue. An excellent corrosion preventative.

## (SP290)L2 Moisture Displacer Deep Penetrant

Moisture displacer specially formulated to penetrate into the smallest areas to clean and lubricate. Non-conducting up to 45,000 volts.

## (SP289)L3 Moly PTFE Lubricant

A PTFE formulated lubricant that seals out moisture and provides a barrier film that inhibits corrosion.

## (SP294)G1 Premium Gold Grease

Premium gold grease with superior coating ability. This product delivers excellent lubrication and prevents corrosion, while extending life of operating equipment.

## (SP291)M1 Moly Chain & Cable Lube

Chain & cable lubricant that provides superior penetrating action to free rusty nuts, bolts and screws.

## (SP292)S1 NSF Food Grade Silicone

This release agent and lubricant remains dry and is non-staining, non-corrosive and suitable for a variety of uses.

## (SP287)C1 Penetrating Coil Cleaner

This dual quat foaming coil cleaner effectively flushes contaminants out of coils as it deodorizes.

## (SP293)P1 Precision Contact Cleaner

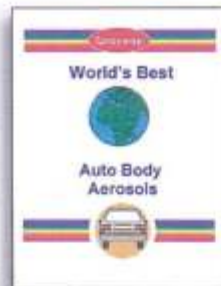

Safe for use on most plastics, this contact cleaner displaces moisture as it cleans, penetrates and loosens corrosion.
